

### Stipend Eligibility Rules

1. Available funding only permits one representative per eligible jurisdiction to receive complimentary registration and lodging.
2. If your jurisdiction is both a CLG and contains CWSAC-recognized battlefield(s), only one stipend will be provided.
3. To encourage participation from throughout Virginia, certain jurisdictions from Northern Virginia are **not** eligible for the lodging stipend. These include: the Counties of Arlington, Fairfax, Fauquier, Loudoun, and Prince William; the Cities of Alexandria, Fairfax, and Manassas; and the Towns of Herndon, Leesburg, Middleburg and Warrenton. However, complimentary **registration** is provided to these jurisdictions.
4. Eligible local governments are asked to coordinate registrations from their jurisdiction to claim only one stipend. A second representative from that jurisdiction must pay full registration but may share lodging.
