

## **Department of Historic Resources Craftsman, Artisans, and Contractors Directory**

This directory is provided by the Department of Historic Resources as a service to property owners, local governments, and state and federal sponsors in Virginia seeking the professional assistance of trades people with expertise in historic preservation. This directory does not presume to be all inclusive; however, all craftsmen, artisans, and contractors with historic building experience who request inclusion will be listed.

The inclusion of an individual or firm in this directory is not an endorsement by the department or a demonstration of professional competence. As a government agency, the department cannot recommend the services of an individual consultant and does not accept responsibility for the performance of any consultant. **This is not an “approved” list.**

Determining the suitability of the providers is the responsibility of the list owners. It is also the responsibility of the property owner to obtain all appropriate permits and to ascertain that contractors have the appropriate licenses. Licensing requirements and status may be checked at <http://www.dpor.virginia.gov/dporweb/recmgt01.cfm>.

Other resources for locating additional firms are Clem Labine’s *Traditional Building* ([www.traditional-building.com](http://www.traditional-building.com)), phone (718) 636-0788; *Preservation Sourcebook*, [www.preservationweb.com](http://www.preservationweb.com), phone (800) 707-4330; and Restore Media Trade Directory, <http://restorationandbuildingservices.com>. Hands-on workshops and demonstrations are available through the Preservation Trades Network (PTN), [www.PTN.org](http://www.PTN.org) and [www.IPTW.org](http://www.IPTW.org). For guidance on planning preservation projects, see the National Park Service’s *Preservation Briefs* at <http://www.nps.gov/history/hps/tps/briefs/presbhom.htm>. Tax credit projects must follow the Secretary of the Interior’s Standards for Rehabilitation, which may be found at <http://www.nps.gov/history/hps/TPS/tax/rhb/>.

Companies or individuals who would like to be included in this directory should contact Pamela Schenian at (757) 886-2807 or Email [pam.schenian@dhr.virginia.gov](mailto:pam.schenian@dhr.virginia.gov).

## **Architectural Salvage**

Carreras Contractors  
Contact: Angelo Carreras
