PLEASE NOTE: This directory is provided by DHR as a service to property owners, local governments, and state and federal sponsors in Virginia seeking the assistance of trades people or professionals with expertise in historic preservation. The directory is not all inclusive; however, all craftsmen, artisans, contractors, consultants and other professsionals with historic building experience who request inclusion will be listed.

The inclusion of an individual or firm in this directory is not an endorsement by the department or a demonstration of professional competence. As a government agency, the department cannot recommend the services of an individual consultant and does not accept responsibility for the performance of any consultant.

The directory should not be construed as an "approved" list. Determining the suitability of the providers is the responsibility of the list owners. It is also the responsibility of the property owner to obtain all appropriate permits and to ascertain that contractors have the appropriate licenses. Licensing requirements and status may be checked at the Department of Professional and Occupational Regulations.

If you are a tradesmen or expert in historic repairs or a preservation consultant and you would like to be included in the directory, please contact Megan Melinat.
