

Bibliography: The Jim Crow Era in Virginia

This bibliography provides a variety of sources covering the range of 1896-1954, which corresponds to the Jim Crow era in Virginia history. The bibliography was compiled over the course of 5 months during the continuing COVID-19 pandemic shutdowns of 2021-2022. During this time, many resources were inaccessible or closed due to the pandemic. As a result, research was conducted entirely online via JSTOR and VCU Libraries. The bibliography is a work in progress, as more information will continue to be added. Readers are encouraged to send suggestions of publications or to report broken weblinks to lena.mcdonald@dhr.virginia.gov.
