ANNA MAAS, MUEP
PROJECT MANAGER/ARCHITECTURAL HISTORIAN

Anna Maas has worked and volunteered in the architectural history and environmental planning fields for over 20 years and enjoys working on multi-disciplinary teams to provide integrated cultural and natural resource services. She has served as principal investigator on all levels of architectural investigations and contributed to Phase I, II, and III archaeological investigations triggered by local, state, and federal regulations. She has also contributed to master plans and historic interpretation plans for areas undergoing redevelopment and/or rehabilitation. With each project, she oversees assistant historians and GIS staff and is an active participant in meetings and hearings with the design team, government agencies, advisory boards, non-profits, the public, and other stakeholders. Over her career, she has completed well over 100 reports, often as the primary or sole author.

EDUCATION:

Master of Urban and Environmental Planning / Certificate in Historic Preservation, UVA, 2003
Bachelor of Architectural History / Minor in Architecture, UVA, 2000

PROFESSIONAL DEVELOPMENT:

NEPA Compliance and Cultural Resources, NPI
NHPA Section 106 Agreement Documents, NPI
Certified Virginia Zoning Official, Technical and Legal Training, VAZO
NHPA Section 4(f), ODOT
NHPA Section 106, ODOT

YEARS OF EXPERIENCE (WITH ERG): 22 (3)

SELECTED EXPERIENCE:

Principal Preservation Planner, A Cultural History of Arlandria-Chirilagua, City of Alexandria, VA, 2020-2021. Prepared Cultural History, bilingual Oral History Interviews with Salvadoran and African Americans, and Windshield Survey to assist in preparation of a Small Area Plan. The technical report was complimented by a bilingual illustrated Public Outreach document. The history documents the evolution of the neighborhood, covering its role as an 18th-century interstate stop and industrial center; Union Civil War camp; integrated post-Civil War rural community; segregated suburb subdivided by a Black domestic servant and two White heiresses; home of a Negro League baseball team; and late 20th century subsidized housing community for refugees of war. Prepared for Alexandria Department of Planning and Zoning (DPZ).

Senior Architectural Historian, Department of Veteran Affairs, 3rd Generation NRHP Nominations/ DOEs, Nationwide, 2019-2022. Participated on a team to prepare Determination of Eligibility (DOE) and National Register of Historic Places (NRHP) forms for 23 Veteran Administration Medical Centers to assist the VA in ongoing cultural resource stewardship activities in compliance with Sections 106 and 110 of the National Historic Preservation Act (NHPA) and its implementing Code of Federal Regulations (36 CFR Part 800). Conducted fieldwork, prepared mapping, and forms in consultation with multiple State Historic Preservation Office (SHPO).

Historian, Maneuver Training Center Fort Pickett, Phase I Archaeological Investigations, Dinwiddie County, VA, 2019-2020. Prepared property history of ±342-acre project area, including chain-of-title for 17 parcels acquired by the War Department in 1942 from African American and European American families. Prepared Cultural Context including discussion of relocation of numerous cemeteries. Edited and prepared layout of technical report in Adobe InDesign. Prepared for Virginia Department of Military Affairs. Virginia SHPO concurred with findings.

ROSIE B. TULLOS, PHD
BIOARCHAEOLOGIST

Dr. Rosie B. Tullos has 14 years of experience first conducting forensic survey, excavation, and recovery of human remains and personal artifacts at crime scenes, followed by a shift to investigations within archaeological contexts. Dr. Tullos is proficient in archaeological research, including supporting Phase I, II, and III archaeological investigations; development of research designs, furnishing archaeological assessments, undertaking laboratory analysis; providing and overseeing technical reporting; and identification of human remains in forensic, post-contact, and pre-contact contexts.

EDUCATION:

Doctor of Philosophy, Anthropology, University of Montana, 2014

Master of Arts, Anthropology, Texas State University, 2010

Bachelor of Arts, Anthropology, University of Central Florida, Magna Cum Laude, 2007

PROFESSIONAL DEVELOPMENT:

Registered Professional Archaeologist, RPA #17317

YEARS OF EXPERIENCE (WITH ERG): 14 (5)

SELECTED EXPERIENCE:

Bioarchaeologist, Disinterment Project at Carlisle Barracks, Cumberland County, PA, 2017-2021. In the summers of 2017, 2018, 2019, and 2021, Dr. Tullos participated as a bioarchaeologist for the Disinterment Project at Carlisle Barracks to reunite Native American families with their children who died more than 100 years ago while attending the Carlisle Indian Industrial School, run by what is currently known as the Department of Interior Bureau of Indian Affairs. The project was completed with no delays and was determined to be technically acceptable with only moderate oversight by the Lead Agency. Prepared for USACE-St. Louis District.

Principle Investigator, Fort George G. Meade East Campus Grave Relocation, Anne Arundel County, MD, 2019-2020. Between September 2019 and August 2020, Dr. Tullos served as the Principal Investigator for the East Campus Grave Relocation project on Fort George G. Meade. Dr. Tullos performed budget management, coordination with CRO, stakeholders, and field crew, oversight of field work, reporting methods, QA/QC on all deliverables, and reviewed compliance with state and federal guidelines. Prepared for USACE-Baltimore District.

Bioarchaeologist, Disinterment Project at Wix Howard Cemetery, Harlan County, KY, 2018. In March 2018, Dr. Tullos oversaw the disinterment of approximately 70 post-contact burials in the Wix Howard Cemetery in Harlan, KY. Dr. Tullos was also responsible for the identification and analysis of any skeletal material collected. The work was completed in compliance with Section 106 of the National Historic Preservation Act of 1966. The project was completed with no delays and was determined to be technically acceptable with only moderate oversight by the Lead Agency. Prepared for USACE-St. Louis District.

Bioarchaeologist, Belize Valley Archaeological Reconnaissance Project, San Ignacio, Belize, 2012-Present. Dr. Tullos has served as the bioarchaeologist on faculty for the Belize Valley Archaeological Reconnaissance Project each field season in San Ignacio, Belize. Dr. Tullos excavates, analyzes, and catalogs disinterred skeletal remains.

APPENDIX C: STEWART CEMETERY (DHR NO. 096-5301)

This Page Left Blank Intentionally

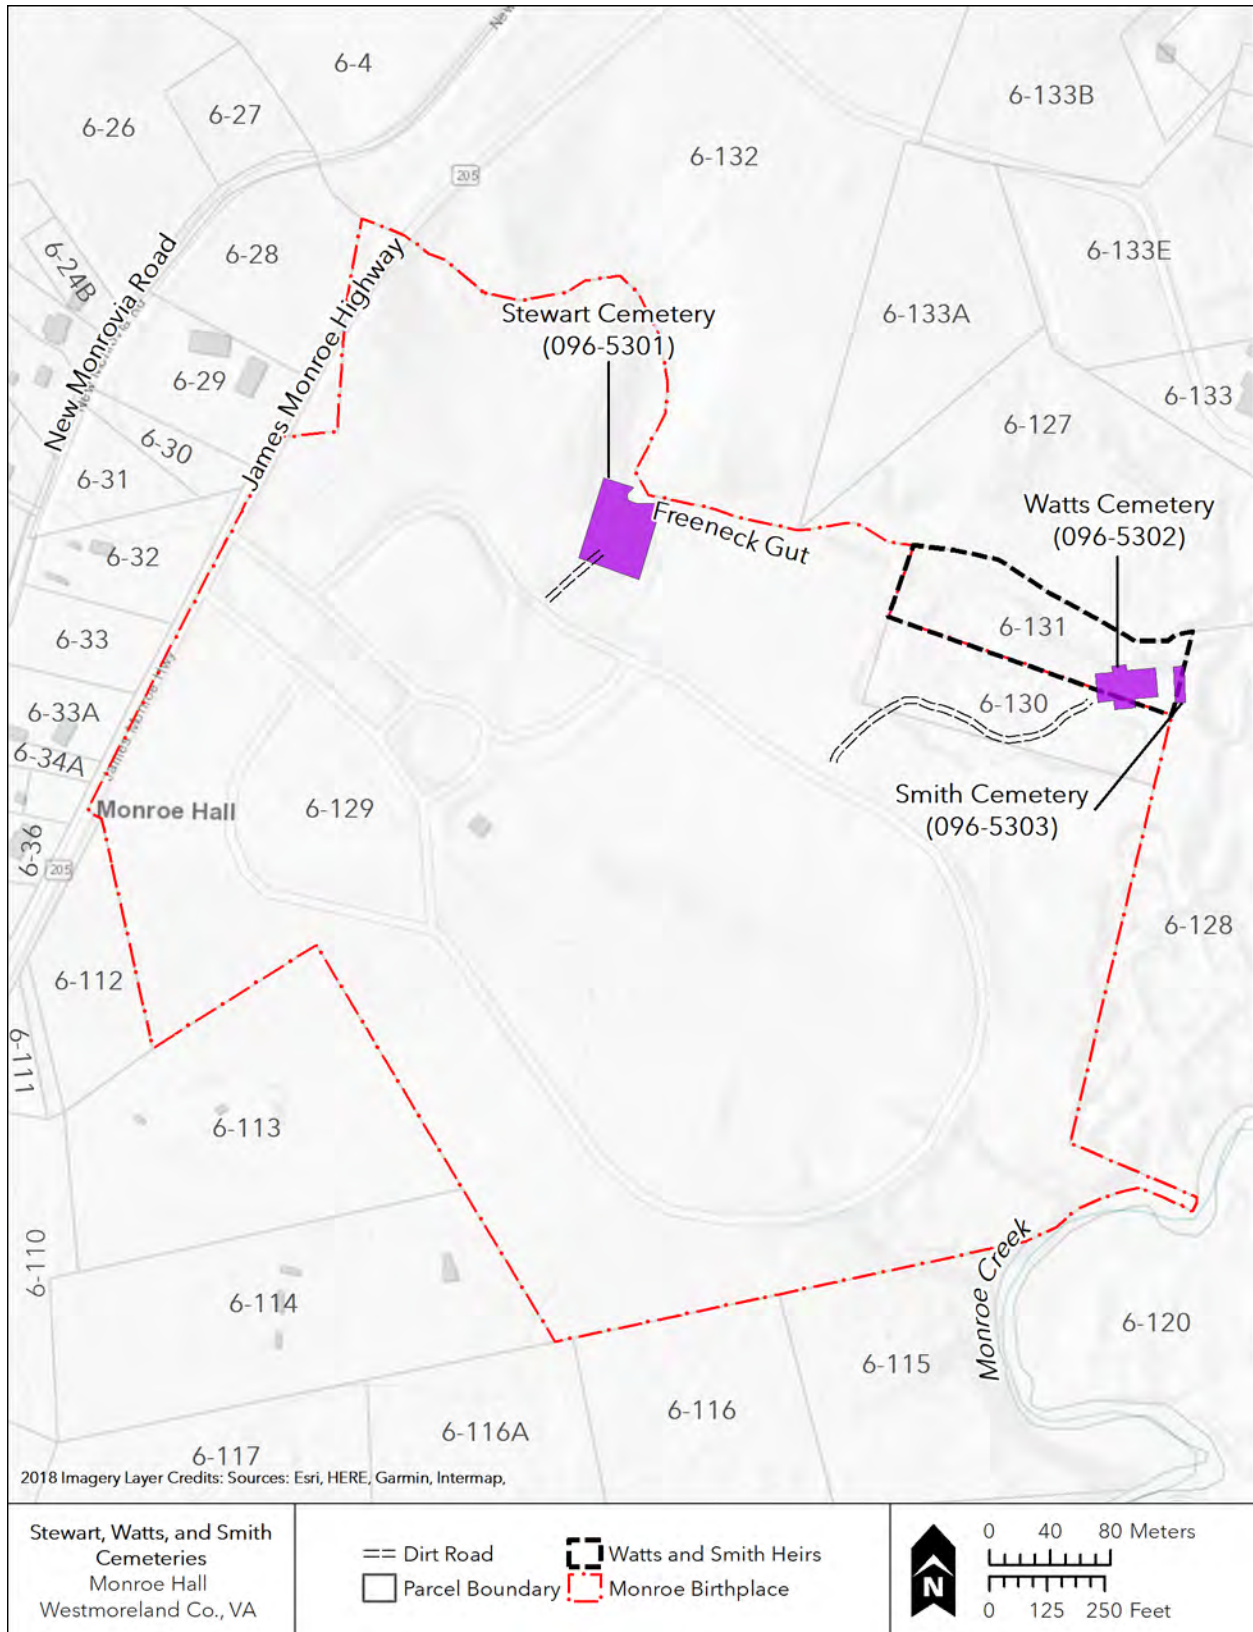

Figure C.1 Stewart, Watts, and Smith Location overview

This Page Left Blank Intentionally

Table C.1 Environmental conditions at Stewart Cemetery (096-5301) 1780 to present.

Year	Environmental Conditions	Source
1780	500 ac perfectly level and rich; large marshes; valuable oak timber; recently vacated by Monroes	Sale Notice
1857	836 ac irregularly cultivated; suffers from surface water; Oak, Pine, Cedar and Gum; not owner occupied if at all	Sale Notice
1868	706 ac timber cleared; not owner occupied	Sale Notice
1872	Samuel Stewart and Moses Watts of [Nomini Grove], Westmoreland Co. 84 ac	WCDB 39:407
1879	Samuel and Margaret Stewart 38.73 ac	WCDB 98:278
1880	Part of Parcel 6-129. Samuel Stewart 33 ac farmed and 5 ac unimproved	Ag Census
ca 1890	The Rev. Cornelius B. and Martha Ann Stewart, Sr.	USCB
1926	Cornelius B. Stewart, Jr. (son) and siblings	WCWB
1929	Stewart Heirs 0.5 ac cemetery reserve	Chancery Suit
1937	Parcel 6-129. 38.73 acres. Freeneck Gut is narrow with no riparian buffer and has shifted a meander west since property line originally drawn. Stewart Cemetery <0.5 ac forested rectangle surrounded by cultivated fields.	Aerial
1953	Parcel 6-129. 74 acres. Freeneck Gut is narrow with new-growth riparian buffer. Stewart Cemetery <0.5 ac forested surrounded by overgrown fields with some mining farther south.	Aerial
1969	Parcel 6-129. Freeneck Gut is narrow and completely forested. Stewart Cemetery surrounded by forest and James Monroe Birthplace scenic loop to the south.	Aerial
1981	Parcel 6-129. Freeneck Gut is narrow and completely forested. Stewart Cemetery surrounded by forest and James Monroe Birthplace scenic loop to the south.	Aerial
1992-2022	Parcel 6-129. Freeneck Gut appears to have shifted but is still completely forested. Stewart Cemetery surrounded by forest and James Monroe Birthplace scenic loop to the south.	Aerial
2005	Parcel 6-129. Maiden Stones at Stewart Cemetery were sunken to same degree as in 2022.	Free Lance Star
2007	Parcel 6-129. Displacement of Stewart Cemetery stones had already occurred.	WMCAR
2009	Parcel 6-129. Displacement of Stewart Cemetery stones had already occurred. There was no significant tree fall.	Ashton
2022	Parcel 6-129. Freeneck Gut is somewhat narrow and deeply incised. Stewart Cemetery is forested with deep bed of leaves, deep burial depressions, and damage from flooding and fallen trees and limbs. Contractor notes flood water rises to the holly trees at the center of the cemetery regularly. FEMA and Sea Level Rise projection maps are out of date.	ERG

This Page Left Blank Intentionally

Figure D.1 Stewart, Watts, and Smith Location overview.

This Page Left Blank Intentionally

Table D.1 Environmental conditions at Watts Cemetery (096-5302) 1780 to present.

Year	Environmental Conditions	Source
1780	500 ac perfectly level and rich; large marshes; valuable oak timber; recently vacated by Monroes	Sale Notice
1857	836 ac irregularly cultivated; suffers from surface water; Oak, Pine, Cedar and Gum; not owner occupied if at all	Sale Notice
1868	706 ac timber cleared; absentee Northern owners	Sale Notice
1871	George and Sallie Smith of [Nomini Grove], Westmoreland Co. purchased 43 ac	WCDB 39:1
1877	James and Alice Key Watts of [Nomini Grove], Westmoreland Co. purchased 23 of 43 ac from Smith	WCDB 41:442
1880	Parcel 6-130, 6-131, and Part of Parcel 6-129. James Watts 20 ac farmed and 0 ac unimproved	Ag Census
c1910	James Henry (son) and Susan Johnson Watts inherit land	USCB
1936	Parcel 6-131. James Henry Watts 2.5 ac	Chancery
1936	Parcel 6-130 Christine Watts 2.5 ac	Chancery
1937	Parcel 6-131. 2.5 acres. Freeneck Gut is narrow, meandering through the property, with no riparian buffer, and passes under a bridge on Parcel 6-128. West end is cultivated. East end is forested around Watts and Smith Cemeteries.	Aerial
	Parcel 6-130. 2.5 acres. South tip of Watts Cemetery forested. Cultivated fields to west.	
1953	Parcel 6-131. Freeneck Gut is narrow, meandering through the property, with no riparian buffer, and passes under a bridge on Parcel 6-128. Completely forested, including Watts and Smith Cemeteries at east end.	Aerial
	Parcel 6-130. Completely forested, including south tip of Watts Cemetery.	
1969	Parcel 6-131. Freeneck Gut is narrow meandering through forested area before becoming a little wider near bridge on Parcel 6-128. West end is mined. East end is forested around Watts and Smith Cemeteries.	Aerial
	Parcel 6-130. Completely mined around south tip of Watts Cemetery.	
1978	Parcel 6-131. Leo Toliver Johnson and Ganey Johnson (Watts' stepsons) 2.5 ac	WCWB 277:679
1981	Parcel 6-131. Freeneck Gut is much wider likely due to mining. West end mine is partially reforested. East end is forested around Watts and Smith Cemeteries.	Aerial
	Parcel 6-130. Abandoned mine around south tip of Watts Cemetery is partially reforested.	
1989	Parcel 6-131. Ellen M. Toliver (widow of Leo Johnson) inherits his share	WCDB 455:562
1992-2022	Parcel 6-131. Freeneck Gut has expanded into a pond partially due to mining and to beaver dams, reducing acres from 2.5 to 2.42. West end abandoned mine is reforested but swampy with standing pools. East end is forested around Watts and Smith Cemeteries.	Aerial
	Parcel 6-130. Abandoned mine around south tip of Watts Cemetery is reforested but swampy with two large standing pools.	
1993	Parcel 6-130. Westmoreland County acquires Christine Watts 2.5 ac	WCDB 413:476

1996	Parcel 6-131. Etta Mae [Johnson] Lucas and Ganey Johnson 2.5 ac	WCDB 455:562
2009	Parcel 6-131. Watts Cemetery was free of tree fall.	Ashton
2022	Parcel 6-131. Freeneck Gut is a large pond. West end abandoned mine is swampy forest with standing pools and illegal dumping grounds. East end is open with some trees around Watts and Smith Cemeteries. The Watts Cemetery is sandy and mossy with mostly flat burials. It has experienced damage from a fallen tree, which exposed a burial. Both cemeteries are eroding have sunken burials on north side. Owned by Etta Mae [Johnson] Lucas (niece) and Ganey Johnson Estate 2.42 ac.	ERG
	Parcel 6-130. Abandoned mine around south tip of Watts Cemetery is forested swamp with two large standing pools.
